Patient Care Technician (PCT)

Patient Care Technician course consists of EKG, Phlebotomy, and CNA.

The EKG and Phlebotomy course must be taken prior to the CNA course.

Patient Care Technician students may choose course dates from the Phlebotomy, EKG and CNA schedule. Students must follow the following course sequence:

Module 1 – CPT – Phlebotomy Technician - 6/9 Weeks

Module 2 – CET – EKG Technician - 8 Weeks –plus clinical

Module 3 - CNA – Basic Nursing Assistant – 5 Weeks including clinical
(The Basic Nursing Assistant course is the last class to be taken in the sequence)

EKG and Phlebotomy classes can be taken together for students who are enrolled in the PCT and MA program.

Medical Assistant Program

Duration 6.5 Month program - 480 hours w/o CNA

Medical Assistant program consist of three portions. All students must complete EKG and Phlebotomy portions of the MA program before proceeding to the Clinical/Administrative procedures portion. The 100 clinical hours cannot start until after completion of the EKG and Phlebotomy portions of the MA program.

Upon completion of the MA program students will be able to sit for their CCMA, CPT, and CET certification through NHA.
